Pope Francis and the Caring Society Robert M. Whaples, 2017-09-01 Pope Francis and the Caring Society is a thoughtful exploration of the Pope's earnest call for a dialogue on building a truly compassionate society. Francis's fervent support for uplifting the poor and protecting the environment has inspired far-reaching discussions worldwide: Do capitalism and socialism have positive or negative social consequences? What is the most effective way to fight poverty? And what value does a religious perspective offer in addressing moral, political, and economic problems? Pope Francis and the Caring Society is an indispensable resource for consideration of these vital questions. Edited by Robert M. Whaples, with a foreword by Michael Novak, the book provides an integrated perspective on Francis and the issues he has raised, examining the intersection of religion, politics, and economics. Readers will discover important historical and cultural context for considering Francis's views, along with alternative solutions for environmental preservation, a defense of Francis's criticism of power and privilege, a case for market-based entrepreneurship and private charity as potent tools for fighting poverty, and an examination of Francis's philosophy of the family. Pope Francis and the Search for God in America Maria Clara Bingemer, Peter J. Casarella, 2021-06-25 In Tutti Fratelli, Pope Francis has called again for a “culture of encounter,” But how should his theology, pastoral practice, and social message be understood and applied in the Church of the Americas, a single but complex reality that extends from South to North? This volume offers analyses from experts looking back to the Argentine pontiff’s first fateful encuentros in the Americas as a help for understanding the present reality of the Church in the Western Hemisphere. The group includes theologians, historians, and political scientists, and the unique contribution of the volume lies in the panoramic perspective offered by the book as a whole. The initial essays set the stage for the volume as a whole, offering rich insight into Argentine and Latin American history, the world from which the Pope came and to which he returned in 2015, as well as surveying the impact of the Latin American “theology of the people” on the Pope’s visit to the U.S. Additional essays address theological, historical, and pastoral engagements that cut across several of the visits. The final group of essays is dedicated to the visits themselves and is arranged in the order that they occurred. *Pope Francis and the Search for God in América* is offered to all the members of the Church in América, South and North, old and young, with the hope that it will spur even more thought, reflection, prayer, and service.

The Preaching of Pope Francis Gregory Heille, 2015-02-19 Since the beginning of his pontificate, Pope Francis has encouraged, inspired, and delighted those who have heard him preach. Especially fascinating have been his plain-spoken and insightful weekday morning Mass homilies. He has also offered the church a substantial contribution on the theory and practice of homiletics in a large section of his first major teaching document, *Evangelii Gaudium* (The Joy of the Gospel). In *The Preaching of Pope Francis*, Gregory Heille, OP, introduces readers to the Pope’s preaching, his insights about the preaching vocation of the ordained, and his call to all the baptized to go to the margins as missionary disciples and evangelists of the Word. Heille, a highly regarded professor of homiletics and preacher himself, offers an inspiring and practical resource for priests, deacons, and anyone involved in the ministry of preaching. He shares the Pope’s vision and example for the preparation and delivery of effective and engaging homilies and for laity invested in the Church’s ministry of the Word in a post-Vatican II pastoral context.

Homiletic Directory Catholic Church. Congregatio de Cultu Divino et Disciplina Sacramentorum, 2015

The Allure of Goodness and Love Pope Francis, 2016 During his historic visit to the United States in October 2015, Pope Francis encouraged the nation's bishops to avoid harsh and divisive language, reminding instead that only the enduring allure of goodness and love remains truly convincing. These words provide as fine a summary of the Holy Father's visit (and of Jorge Bergoglio's papal ministry) as will be found anywhere. In Washington, New York, and Philadelphia, Pope Francis touched the hearts and consciences of Catholics, as well as people of all faiths or no faith, by the power of his gentle witness. The many addresses and homilies offered by the Pope were more than anyone could digest in a few short days. This handy volume gathers all of these texts in a single, inexpensive resource, making them accessible for reflection, study, or prayer by individuals or groups. Included here are his - homily for canonization of St. Junípero Serra - address to the Joint Session of

Congress - greeting to a group of homeless people in New York City - address to the United Nations General Assembly - prayer at Ground Zero - extemporaneous address at the Festival of Families - words to victims of sexual abuse - address to inmates at a Philadelphia prison - and much more. This book will serve as a powerful reminder to any reader of the allure of goodness and love that America experienced through the presence of Pope Francis.

The Joy of the Gospel Bill Huebsch, 2014 This unique, in-plain-English study guide offers a paraphrased summary of every article in Pope Francis' latest groundbreaking document, with a reflection/discussion question for group or individual use.

Gospel Joy Dennis Billy, C.Ss.R., 2014-08-01 This book examines the central elements of Francis' vision of the Church as it sets out to preach the gospel to people of every nation and every walk of life. In four chapters, it examines the heart of his message and the focus of his vision for the future of Catholicism, Christianity, and the world. Central to that vision is his call to continue the new evangelization. He writes: "Each individual Christian and every community is called to be an instrument of God for the liberation and promotion of the poor, and for enabling them to be fully a part of society" (EG 187). The pope admits that neither he nor the Church has "a monopoly on the interpretation of social realities or the proposal of solutions to contemporary problems" (EG 184). He wishes, however, to contribute some constructive insights concerning our present situation. For Pope Francis, the joy of the gospel is simple: God wishes to live in our hearts. When we let God do so his Spirit dwells there, purging our imperfections and slowly divinizing us so that as free and faithful disciples we follow the way of the Lord Jesus.

Forming Intentional Disciples Sherry A. Weddell, 2015-11-30 How can we transmit a living, personal Catholic faith to future generations? By coming to know Jesus Christ, and following him as his disciples. These are times of immense challenge and immense opportunity for the Catholic Church. Consider these statistics for the United States. Only 30 percent of Americans who were raised Catholic are still practicing. Fully 10 percent of all adults in America are ex-Catholics. The number of marriages celebrated in the Church decreased dramatically, by nearly 60 percent, between 1972 and 2010. Only 60 percent of Catholics believe in a personal God. If the Church is to reverse these trends, the evangelizers must first be evangelized-in other words, Catholics-in-the-pew must make a conscious choice to know and follow Jesus before they can draw others to him. This work of discipleship lies at the heart of *Forming Intentional Disciples*, a book designed to help Church leaders, parish staff and all Catholics transform parish life from within. Drawing upon her fifteen years of experience with the Catherine of Siena Institute, Sherry Weddell leads readers through steps that will help Catholics enter more deeply

into a relationship with God and the river of apostolic creativity, charisms, and vocation that flow from that relationship for the sake of the Church and the world. Learn about the five thresholds of postmodern conversion, how to open a conversation about faith and belief, how to ask thought-provoking questions and establish an atmosphere of trust, when to tell the Great Story of Jesus, how to help someone respond to God's call to intentional discipleship, and much more. And be prepared for conversion because when life at the parish level changes, the life of the whole Church will change.

The Joy of Believing: The Vision and Relevance of Lumen fidei and Evangelii gaudium in Indian Context Babu Joseph Kalathil, 2015-02-01 Religion and theology became an occult science for many; and belief in the values of life that religions proclaim turned to be useless and void. The handing on of the faith' has become a deep crisis and a problematic today and has turned to be a burning issue for the contemporary Church. What is necessary in the contemporary culture is to develop a counter-culture that passionately understands the love of God and sharing it passionately and joyfully with the fellow humans and the world around us. We need a counter-culture of sharing the truth and love which is God. Pope Francis' message is none other than this. He exhorts for a missionary renewal in the Church and to have a new theological outlook that leads the Church to be a Church of the poor - a counter culture of compassionate and tender love. When it comes to India, the Church, a minority in number, faces a lot of challenges in its practice and proclamation of faith. Globalization and the new economic reforms badly affected the Indian culture which is turning to be secular, as well as fundamentalist. With a weak presence in many areas the Church in India is struggling to make its presence felt in the nation. Here the author is making an attempt to understand the joyful sharing of the Gospel in the Indian context in the light of the first two documents of Pope Francis. The author discusses the challenges and ways to face the challenges to be truthful by being in love and faith. It will provide a clear understanding to live the faith relying upon God's providence and mercy, and will enable the Church to work for the holistic development of humanity.

Why Are You Afraid? Have You No Faith? Pope Francis, 2021-02-10 The COVID-19 pandemic has left an indelible mark on our lives, and the same is true for the Church. Masses were suspended for months, people could not receive the sacraments, and during that time Pope Francis celebrated Mass alone every day. *Why are you afraid? Have you no faith?* collects some of the words from the pope's daily homilies when the world was in isolation during the "long Lent" in the spring of 2020, as well as Angelus messages and prayers he delivered. This book is filled with poignant photos that bring to life Pope

Francis' words of support and encouragement, especially from his extraordinary blessing "Urbi et Orbi" in an empty St. Peter's Square at the Vatican on March 27, 2020. The dozens of photos in this book illustrate the themes often evoked by the Holy Father during the pandemic, including fraternal love, solidarity, the common good, and the virtue of hope. Commemorating an historically important chapter in both the papacy of Francis and the history of the modern world, this book is another avenue by which the Holy Father shares his uplifting message of wisdom, hope, and love with those who have suffered in pain, loneliness, and fear. Despite the dire challenges we have faced during this pandemic, Pope Francis reminds us that evil does not destroy confidence in God, and it does not break the solidarity of humanity.

A Church with Open Doors Richard R. Gaillardetz, Edward P. Hahnenberg, 2015-05-06 Catholic ecclesiology stands at the threshold of a new moment in the reception of the Second Vatican Council. The election of Pope Francis—coinciding with the fiftieth anniversary of the council—has inspired a fresh consideration of its teaching in such diverse areas as ecumenism, inculturation, missiology, and ministry. The chapters in this volume have their origin in a special symposium that called together over forty of the leading Catholic scholars from throughout North America in order to discuss the future of theological reflection on the church. The nine essays in this volume guided that conversation and offer an entry into some of the most pressing issues in ecclesiology today.
